Penguin Books Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. A vivid, seminal portrait of early 1980s Britain: a period that changed Britain forever. The early 1980s in Britain were a time of hope, and of dread: of Cold War tension and imminent conflict, when crowds in the street could mean an ecstatic national celebration or an inner-city riot. Here, Andy Beckett recreates an often misunderstood moment of transition, with all its potential and uncertainty: the first precarious years of Margaret Thatcher s government. By the end of 1982, the country was changing, leaving the kinder, more sluggish postwar Britain decisively behind, and becoming the country we have lived in ever since: assertive, commercially driven, outward-looking, often harsher than its neighbours.
