

The Einstein Connection: Ancient Myths Scientific Theories of an Approaching Global Cataclysm (Paperback)

By D W Kreger

Windham Everitt Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.We know that previous global cataclysms and floods were documented in ancient mythology from around the world, and many of these myths have predicted that it will happen again. And, now there is some scientific evidence to support this idea. It was Albert Einstein who was one of the first scientists to be convinced that the Earth had indeed been plagued by a reoccurring global cataclysm, and he collaborated with scientists studying this phenomenon. As incredible as it sounds, he also believed that such an event or a very similar one was responsible for periodic advances in human evolution, and he corresponded with a scientific theorist on this topic as well. Every few years it seems that someone is predicting the end of the world, and they often cite ancient myths to support these predictions. Most of the books on this subject are either written by true believers, or by closed-minded skeptics, but what is the real truth? Is there any scientific evidence to back up these theories of an approaching global cataclysm? This book offers...
