PACIFIC RAVEN: HAWAII POEMS

Pacific Raven Press. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Connecting to a poet's work for the first time is always a magical voyage into an unknown world of fantasy and emotions. One's expectations (at least mine) are high, and you secretly ask yourself: What am I going to discover? I can assure you that my expectations were met. Kathryn Waddell Takara kept her work hidden in a safe shelter for many years until she decided to open her box of treasures and invite the reader to enter into her world of beauty. From the Title Page: Pacific Raven where the author is the majestic black flight which soars high in her future of change, challenge, healing strength, and compassion, to the last poem: Love Endureth where she opens our hearts, when the reader closes the book, he or she is left with an eager desire to read more of Kathryn's work. I was touched, moved, swept off my feet, gasping for breath as I was taken away by a tsunami of words, metaphors hitting me with an extraordinary power of imagination and expertise in which this gifted poet shares her work. Hers is a poetical voice that sings with abundance. In I Am A Poem she writes, I transform like a phoenix into sunrays and moonbeams dropped from life's flames poetic words radiate like new leaves in a forest of clouds! So eloquently, so masterfully she weaves and spins her poems with the sharpness of a raven's spirit. Kathryn is, without the shadow of a doubt, a poet who drinks from many sources. You can feel how she has submerged into and emerged from the depths and spiritual richness of many cultures, creating her own brave new world of dreams, beauty, and reflections on life....
