iUniverse, United States, 2005. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Time is running out for a teenager searching for his grandfather's lost plane in Northern Canada. Can he trust the intuitions of Trish, the pilot's daughter? In *The Search for Grizzly One*, Mark Daniels is a sixteen-year-old whose grandfather, along with the pilot of a bush airplane, has disappeared somewhere over northern Alberta. After an extensive aerial search turns up nothing, Mark sets out with Trish on their own search. Following a hunch about what might have happened, the pair treks through the Northern Alberta wilderness. The journey tests every fiber of Mark's being, but along the way, he learns much about himself, the wilderness, and the unbreakable human spirit. Wildlife writer and biologist Don Meredith vividly describes the rugged terrain and harsh elements Trish and Mark endure on their desperate quest to find their loved ones--before it's too late.
