She finds support from an esteemed partner, but even he may not be able to prevent her conviction. The second installment in the Angels Wear Lipstick series follows a young woman who escaped the cruelty she suffered at home as a young child. Katie was born in 1964, to teen parents who treated her like a showpiece - and a punching bag for her antagonistic mother. She became what her mother claimed was a problem child and ran away from home. At thirteen, Katie left her mother s abusive ways forever, making her way on the streets of Toronto. A kindhearted minister and his wife take Katie in and nurture her, leading her onto a path of love and decency toward humanity. Katie s young life is dramatically enriched and she finds peace - until duty...
