

Whitehall Through the Looking Glass (Paperback)

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.When big corporations have taken control of the government, It s time for regime change. ***** The Consortium has brought America, which it practically owns through its corporate subsidiaries, back under the British Crown. In return, all it asks for is unfettered control over policy decisions in Whitehall. In this timid new world, nobody dares question the Consortium, and everybody is expected to carry out orders. But while many of his civil service colleagues jostle to be of the greatest service to their new political masters, Philip K. Rainsborough decides that enough is enough. He sets out to expose the Consortium s dark secrets. Unfortunately, the Consortium has on its side the Super Utility Network, the most advanced opinion manipulation technology in the world. And as life for most people sinks into chaos and misery, the Consortium remains as popular as ever by serving up gimmicks and endless scapegoats. To make things worse, a leading contender to become the top civil servant of the government is none other than his cold and calculating boss, who is poised to do anything to please the Prime Minister, and sabotage anyone who gets in the way of his promotion. Caught between the Consortium and subversives who want to overthrow the government, Rainsborough is desperate to find a way for a peaceful regime change. He is given a chance when Chief Supt Carrie Edel seeks his help in a murder case that may bring down the Prime Minister. But what is actually asked of him amounts to treason. In any event, even if he can pull it off, he suspects he won t live to tell the tale. ***** * Henry Tam...
