Baker Publishing Group, United States, 2012. Paperback. Book Condition: New. 196 x 127 mm. Language: English . Brand New Book. With notable nonbelievers such as Richard Dawkins, Sam Harris, and Christopher Hitchens featured prominently in the media, it is no surprise that many Christians wonder how best to answer the growing number of atheist arguments they encounter every day. 10 Answers for Atheists is a one-of-a-kind resource from respected Christian apologist Alex McFarland that looks closely at the philosophical assumptions at the root of atheism and agnosticism and exposes the logical, historical, and conceptual fallacies that perpetuate unbelief. Readers will find easy-to-understand charts and clear explanations of key beliefs, as well as trustworthy, biblical answers to the honest questions posed by atheists and agnostics. Every reader, no matter where he or she falls on the spectrum of belief, will hear a call to thoughtful engagement with the historic Christian faith.
