

## The Obama Doctrine: Socialism, Corruption and Economic Collapse (Paperback)

Filesize: 7.13 MB

### ***Reviews***

*Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.*

*(Harold Spencer)*

## THE OBAMA DOCTRINE: SOCIALISM, CORRUPTION AND ECONOMIC COLLAPSE (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The ongoing battle between conservatism and liberalism has entered a critical phase. As president, Obama pushes the destructive, outright-socialist agenda of the radical-Left with propaganda, scare tactics, empty promises and bribes. We can t afford to stand idly by. The outcome of the battle will determine what kind of country we pass on to future generations - a free society with plenty of opportunities or an oppressive, socialist bureaucracy. We need to stop the mad march to destruction, rebuild our society and undo decades of mismanagement, corruption and decay. And the road to recovery will be difficult and long. Chapter 1: The Battle between Conservatism and Liberalism Our nation is under siege. Each and every day, powerful forces push us farther and farther into the direction of socialism, corruption and economic collapse. Chapter 2: The Obama Culture Obama, the most radical and corrupt president ever, has surrounded himself with Liberals, Progressives, Radicals, Socialists, at least one Communist and sympathizers with Maoism and Marxism. He wields absolute power, but Congress fails to rein him in. Chapter 3: The Economy Our economy is being hammered by high unemployment, out-of-control spending, government interference, disastrous energy policies, a lack of affordable energy, an obsession with the environment, devastating health care reform and illegal immigration. Chapter 4: Spending, Deficits and the National Debt The Left is wasting our money. Deficits and debt are increasing rapidly to disastrous levels. Serious attempts to rein in our spending are dismissed with contempt. We are heading for economic collapse and burdening future generations with crushing debts. Chapter 5: Bailouts and Stimulus - Choosing Winners and Losers Obama made up The Worst Financial Crisis since the Great Depression...
