Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this hilarious action packed story, undersized 14 year old Jamie is trying to make the Rep hockey time while while wearing floppy over-sized skates handed down from his big brother. On this journey to a climactic challenge game between the rep team and Jamie and his Native friends; he must deal with ominous predictions from his psychic/psycho Aunt Betty. His Aunt has an uncanny knack of predicting the exact time and date of the death of some of his elderly relatives. Maybe the fact that they were on their last legs contributed somewhat to their deaths. But apparently it is very disconcerting to know the date and time of your death, especially if you set the alarm clock in your hospital room to go off at the exact moment. It sort of accomplished the opposite of it s intended purpose.
