Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Terra Mariae, Vol. 36 Man is all too prone to forget. Tomorrow s necessities crowd out the memories of today. Science moving with staggering swiftness leaves today s knowledge for tomorrow s speculation. There is no pause, no regret, no reflection, the pace is ever faster and faster, until at last the dreams of tomorrow are gone before they are born. But wait! There is a pause, the printed page turns back our thoughts to yesterday and once again we live as before. How rich the feeling of delight, to find the smile of a friend again, to see the spot where once we offered sacrifice, to reenter the halls we knew so well. And so within the pages of this volume some day we may find much that will cause us to pause and dream. If this be true then indeed our efforts will not have been in vain.
