Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dreams are a vision of your ideal future of what you want to be, what you would like to do and, what you would like to achieve. Good health, peace of mind, a clear conscience, self respect, love and compassion for our fellow man, a happy home and, the acquisition of spiritual happiness are worthy assets that are a positive part of life. Our life, our personality and our talents, make us unique like no one else. Life is designed to inspire and, enjoying it should reflect who we truly are to find our fulfillment and happiness. Physically, mentally, socially and spiritually, life can be improved provided one takes advantage of the opportunities they have to reach their potential. Your level of desire, how you think and how you act when opportunity comes along all determine how lucky you will be. Choices and decisions set a direction. Don t just dream about how your life could be? A personal self development program offers new challenges, experiences and gives your future a clear direction so you know where you have to concentrate your efforts. Goals are the first step to turning dreams into reality. They are important because, if you do not know where you are heading, you will never get there. Goals can inspire us to take advantage of opportunities or to reach our potential. They motivate, establish priorities, give a direction and provide the energy to keep you focused on a purpose provided they are in harmony with your values. Plans are the blueprint. Action determines what you get. They provide the initiative, a clear direction and an idea of the resources needed to...
