Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Brick Buy Brick-Book Six: Buy To Let Investment, Tigrent Learning UK Limited, The modern day, no-nonsense guide to property investing. The sixth in the revolutionary 'Brick Buy Brick' series of books in association with Tigrent Learning UK Limited, Buy To Let Investment provides aspirational investors with a detailed explanation of how their lives can change with education, motivation and action. Moreover, it is written in a way that is accessible to all. The book shares insights into the often misunderstood world of property investing and how all of us are able to make money from property, both in and out of a recession. Without the plague of non-essential jargon that is often found in similar books, it opens up the doors for readers who are not as well-versed in the subject, allowing them to see that they have a chance at being just as successful as those who are. This book looks at buy to let and the opportunities it offers the investor. It is designed to give you a head start in acquiring an education in property that will give you the confidence to overcome any doubts and fears you may have. While starting out in property investment is exciting, it can also feel daunting. Many experienced investors admit to feeling fear when they began their journey - it's normal! The good news is that training will provide answers to questions like where to buy, how to find the deals, how to take cash out of the property, how to find tenants, how to manage tenancy and more. 'Brick Buy Brick' is a series of books that form the definitive guide to general and specific property investing strategies that are used by professional property investors, on a daily basis.
