A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Melville House. Paperback. Book Condition: New. Paperback. 124 pages. Dimensions: 6.8in. x 4.8in. x 0.5in. White men die very suddenly in Fales. Originally censored by its British publisher, *The Beach at Fales* is a scathing critique of colonialism and economic imperialism that bravely takes on many of the 19th Century s strongest taboos: miscegenation, imperialism, and economic exploitation. It does so with a story that features a surprising and beguiling romance between an adventurous British trader and a young island girl, against a background of increasing and mysterious hostility. Are the native islanders plotting against the couple, or is it the other white traders? The result is a denouement that is astonishing in its violence. Told in the unadorned voice of the trader, it is a story that deftly combines the form of the exotic adventure yarn with the moral and psychological questing of great fiction. *The Art of The Novella* Series Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literatures greatest writers. In the *Art Of The Novella* series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
