Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine a post-apocalyptic America, fragmented beyond recognition. People will still, no doubt, have babies. And, if current trends hold (we re looking at YOU, Texas) the fragmented nation will want the children in their individual fragments to learn the history THEY want the kids to learn. In that spirit we present Baby s First Book of Socialist Propaganda. Written by some future bureaucrat to instruct the conservative children in this conservative group of former states, you can laugh at what is already happening in conservative states as the textbooks are changed to reflect the Tea Party ideology of the ruling powers. Here s the original product description: There are no pretty pictures in this book. Pretty pictures are for soft minds. Do you want your children to be soft-minded? No. You do not. Soft minds are for liberals, and they are the weaklings we are fighting in the east. You want your children to be strong, liberty-loving, free-thinking patriots who will do as we say. You will begin reading chapters from this publication when the precious little fetus being carried by one of your wives is in the first trimester of its life, which began the moment you, the father, soaked her woman parts with your sinful fluids. These stories will be read directly to the precious, darling angel growing in one of your wives belliy so at the moment of birth, the child (as we will call it) will be fully educated into the proper way of thinking. Under no circumstances should the child be allowed to read this book itself. It will require your careful supervision as the parent to ensure that the proper lessons are...
