## NEW AND SELECTED POEMS

To read **New and Selected Poems** eBook, make sure you refer to the button below and download the ebook or have accessibility to other information which are highly relevant to NEW AND SELECTED POEMS ebook.

University Of Chicago Press. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.3in. x 5.8in. x 0.6in. Yves Bonnefoy, celebrated translator and critic, is widely considered the most important and influential French poet since World War II. Named to the College de France in 1981 to fill the chair left vacant by the death of Roland Barthes, Bonnefoy was the first poet honored in this way since Paul Valery. Winner of many awards, including the Prix Goncourt in 1987 and the Hudson Reviews Bennett Award in 1988, he is the author of six critically acclaimed books of poetry. Spanning four decades and drawing on all of Bonnefoys major collections, this selection provides a comprehensive overview of and an ideal introduction to his work. The elegant translations, many of them new, are presented in this dual-language edition alongside the original French. Several significant works appear here in English for the first time, among them, in its entirety, Bonnefoys 1991 book of verse, *The Beginning and the End of the Snow*, the 1988 prose poem *Where the Arrow Falls*, and an important long poem from 1993, *Wind and Smoke*. Together with poems from such classic volumes as *In the Lure of the Threshold*, these new works shed light on the growth as well as the continuity of Bonnefoys work. John Naughtons detailed introduction looks at the evolution of Bonnefoys poetry from the 1953 publication of *On the Motion and Immobility of Douve*, which immediately established his reputation as one of Frances leading poets, through the 1993 publication of *The Wandering Life* and its centerpiece *Wind and Smoke*. This is a comprehensive selection that contains examples of work spanning Bonnefoys full career of forty years, from the ground-breaking *Du Mouvement et de l'immobilit de Douve* through the celebratory *Pierre Ecrite* to the magical winter...
