CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 316 pages. Dimensions: 7.9in. x 5.2in. x 0.9in. Dividends: Pros, Cons, Sources, and Strategies discusses: the goal of dividend investing and income investing, as well as its benefits and drawbacks (arguments for and against) the difference between dividend growth stocks and regular dividend stock the pros and cons of dividend capture strategies using options to boost the income you collect from stocks and ETFs using preferred stock and exchange traded debt to boost your yield while lowering your risk the different types of preferred shares and exchange traded debt collecting growing dividends from other investment vehicles like Master Limited Partnerships (MLPs), Real Estate Investment Trusts (REITs), Business Development Companies (BDCs), Royalty Income Trusts, and various other instruments like life insurance and savings accounts at mutual bank show to value all the various income generating vehicles covered in this book getting around your broker to buy stock directly from the company asset diversification when to buy and when to sell your investments Arent you tired of all the talking heads on TV screaming for you to buy! buy! buy! and sell! sell! sell! the same stocks day in and day out Arent you tired of all the self-important commentators telling you that its a traders market You should be. Theyve been screaming the same thing for decades, all to their audiences detriment. Its common sense, really. If your retirement hinges on stock prices going up, you are not investing. Youre hoping. Youre gambling. You might as well add baseball cards and comic books to your nest egg. Or go to Vegas. At least there the odds are pure and youll have a good time losing your money. Companies have no more control over their share prices than you do. Some years they are up, some years they are...
