By Lindsey O Connor

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Abridged. 147 x 127 mm. Language: English . Brand New. With all that women have to do and the many hats they wear, it s easy for them to feel like they are going south physically, emotionally, or spiritually. And yet, others are depending on them and being influenced by them. So for those women who are running on empty, feeling lonely or weary, Lindsey O Connor offers an invigorating dose of hope. If Mama Goes South, We re All Going with Her looks at five biblical principles from Galatians for overcoming problems that weigh women down and dilute their influence on others. What does it really look like to not grow weary in well doing ? Am I really making a difference? Why do I feel alone? These questions, and more, are touched upon with splashes of humor and plenty of personal depth. O Connor includes a chapter about the delivery of her fifth child, an event that forced her into a ten-week coma, from which she is currently and miraculously recovering.
