I believe that God speaks to us and instructs us in the precious, quiet moments of life. In the still of silence, meditation, and reflection, lies God s impartation of knowledge and wisdom. I wrote Meditating Moments for these reasons: I enjoy writing, I need to relax, I love teaching through the art of storytelling. More importantly, I am obliged to share God s vision with others. I hope that you enjoy Meditating Moments. It s a book of spiritually-inspired, short stories of encouragement, empowerment and comedy. And yes, I included some adult COLORING PAGES! Coloring is a great stress reliever. As a children s author, I am proud to have a child s imagination. Coloring takes me right back to kindergarten! So, adults grab your crayons, find your perfect meditating spot and let s go back to kindergarten, while we reflect on God s word with Meditating Moments! Enjoy, Cbrown.
