Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Ignatius Press, United States, 2012. Paperback. Book Condition: New. 211 x 132 mm. Language: English . Brand New Book. This moving collection of intimate, poignant, and heart-warming letters was written by Karen Santorum to her unborn child, Gabriel Michael. During her pregnancy, Karen wrote letters to her son, never expecting that the letters would someday be published. Though her pregnancy began as normal, Karen ended up experiencing serious difficulties with her pregnancy at the same time that her husband Rick Santorum, the Republican Senator for Pennsylvania, was leading the charge against partial birth abortions in the U.S. Senate. Letters to Gabriel is the story of Gabriel Michael's short, but meaningful life, and a tribute to the sanctity of life, the deep faith of the Santorums, and strong family values. The intimate bond between mother and child is expressed by Karen with great tenderness and love. This is a deeply moving book that will touch the heart of its readers with the beauty of the gift of life, and inspire them to share it with others.
