By Graham Edmonds

Southbank Publishing. Hardback. Book Condition: new. BRAND NEW, Liar's Paradise: The Seven Degrees of Corporate Deceit, Graham Edmonds, We're now within the golden age of bullshit and whether we like it or not, we're being constantly bombarded with lies, fakery and spin. This is especially true of the work place. By using test cases (and humour), this book will expose the techniques used by liars and show how damaging they are to business. Find out about the various degrees of deceit, how to spot a liar, and how lying is used at every level at work. If you think your company is fraud-free, then you'll be one of the 80 per cent of companies who believe that's the case. The only problem is that in a recent study, some 45 per cent of companies found cases of fraud within their own staff. There's a bullshitter sitting near you now.
