

Coinage of the United States ? a Short History (Paperback)

By Doug West

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The history of United States coinage is a story that parallels the rise of America. Starting from a humble beginning in a basement in Philadelphia in the first few years of the country, it grew to a large highly sophisticated system that produces millions of coins per year. Due to a lack of silver, the first silver coins produced by the Mint came from silverware contributed by George and Martha Washington. Coins are something we take for granted today and put in jars and baskets on our night stands to accumulate for a rainy day when we need a few extra dollars. For more than half of the history of America, that wouldn't have been possible for the average citizen. It wasn't until after the Civil War that coinage became widely used for all types of transactions. Until that time, barter and money substitutes, such as tokens, script, and foreign coins, were used as a medium of exchange. During the 1830s, and then again during the Civil War, coins were in such short supply that...

Reviews

The publication is easy to read through and safer to comprehend. It is actually loaded with wisdom and knowledge. It's been printed in an extremely simple way and is particularly simply right after I finished reading through this pdf where it actually modified me, affected the way I believe.

-- **Ms. Clementina Cole V**

This is the very best publication I have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer created this pdf.
