Brand New Book ***** Print on Demand *****.Be a Wolf: The Entrepreneur s Guide to Becoming a Leader of the Pack is the story of a husband-and-wife entrepreneur team who met with unusual success and did so in an unusual way. We re Andrea and Allen Beach, two people who left corporate America to fulfill a long-held aspiration to own our own business and to put our entrepreneurial skills to the test. Adopting the wolf as our mascot-an animal at the top of its food chain with outstanding survival skills and a pack mentality of team spirit and playfulness-more than fourteen years ago we turned our backs on secure, successful corporate careers to answer the call of the wild. With very little capital, we launched Argus Connection, Inc., a people-oriented technology services company, and within five years we made more than \$8 million. Today, thanks to our innovative style of leadership and our company s highly skilled wolf pack, Argus has expanded to a full services and staffing company serving some of the biggest names in business, with offices in five cities and more than 100 employees. Now we re eager to share everything we know about launching a successful business. With the first-time entrepreneur in mind, Be a Wolf chronicles the story of how we quickly reached the pinnacles of success and how readers can join us in being leaders of the pack, too.
