Open Road Media Science Fantasy, United States, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Tarl Cabot finds himself transported back to Counter-Earth from the sedate life he has known as a history professor on Earth. He is glad to be back in his role as a dominant warrior and again in the arms of his true love. Yet Tarl finds that his name on Gor has been tainted, his city defiled, and all those he loves made outcasts. He is no longer in the position of a proud warrior, but an outlaw for whom the simplest answers must come at a high price. He wonders why the Priest-Kings have called him back to Gor, and whether it is only to render him powerless. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Outlaw of Gor is the 2nd book in the Gorean Saga, but you may enjoy reading the series in any order.
