It is a collection of words; symbols tenderly wrapped to express, to point to energies far greater than words could ever be: the energies of love, truth and compassion. It voices the saga of human struggle, courage and triumph. Globally, the pivotal present moment at hand is where faith is required, truth is unavoidable, understanding is needed, and healing is a necessity because revolution is here. Evolution is inevitable. We must evolve or perish. The Poet, Long Live reminds us all of who we actually are -powerful, magnificent, majestic beings - and of the inexplicable beauty, freedom and joy we are capable of creating, knowing and experiencing when we come to recognize our true Self.
