Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Food Networking - Found at - - is all about how anyone can feed their family the most healthful and delicious food on the planet and make their living by simply telling everyone on the web about it. Get them to TRY some of our food and they will become your customers for life. When you have a few hundred customers in your downline, most of these will also find more customers which makes you even more money. This is called Food Networking. But it gets better still, even the customers on this second level of yours - people you never even knew existed - will start finding their customers very easily also by just letting more people on Facebook, Twitter, LinkedIn, Pinterest, Youtube etc, also try the food. You get paid on these people too. Believe it or not. This is just the beginning of our compensation plan. It goes down 5 more generations of customers AND there are bonuses that go to INFINITY. Some of our distributors will make millions by only finding six customers themselves because these six can easily find six more and if you do the math, this amounts to THOUSANDS of people who want to feed their family more healthful and become more financially free too. JUST TRY some food - When you join you also get a website just like this one. BUT Try the food and then decide. How to make money online using food as your primary product can be tough going if you open up a grocery store or a restaurant. You need millions of dollars and put them all at risk in order to make money in...
