This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

SELECTED FABLES

Oxford University Press. Hardback. Book Condition: new. BRAND NEW, Selected Fables, Jean de La Fontaine, Christopher Betts, La Fontaine's verse fables turned the traditional folktales derived from Aesop and a range of Oriental sources into some of the greatest, and best-loved, poetic work in French. His versions of stories such as 'The Hare and the Tortoise' and 'The Wolf and the Lamb' are witty and sophisticated, satirizing human nature in miniature dramas in which the outcome is always unpredictable. The behaviour of both animals and humans is usually centred on deception and cooperation (or the lack of it), as they cheat and fight each other, arguing about life and death, property and food, in an astonishing variety of narrative styles. The fables have long been popular with all ages, though their ironic take on contemporary society in French aristocratic circles is best appreciated by adults. This new translation by Christopher Betts matches the original in inventiveness and subtlety. It includes half of the fables first published in twelve books between 1668 and 1693, across the full range of subjects and themes. The fables are illustrated with a selection of Gustave Dore's majestic engravings, and an introduction offers insights into La Fontaine's life and literary artistry.
