Brand New Book ***** Print on Demand *****.This booklet touches on an issue central for many of us living in a fast-paced, challenged, and shrinking world. We are aware of how intimately linked we are with one another and with our planet, but often we feel helpless and disempowered. It is an issue both intensely personal and communal-how can we discover our life purpose and then bring forth our gifts to nourish our communities and our world? How can we make a difference, while fulfilling our life's calling? These introductory exercises begin where change always begins: within yourself.
