

## Living with the Ribbon: A Teenagers Story about Battling Cancer Through High School (Paperback)

Filesize: 5.65 MB

### ***Reviews***

*Extensive manual! Its such a great read. It really is loaded with knowledge and wisdom You wont really feel monotony at at any time of your time (that's what catalogs are for regarding if you ask me).*

*(Myrl Hintz)*

## LIVING WITH THE RIBBON: A TEENAGERS STORY ABOUT BATTLING CANCER THROUGH HIGH SCHOOL (PAPERBACK)

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.MacKenzie s life would be classified as ideal by most teenage standards. A set of supportive parents who were still lovingly married, a best friend who was also her identical twin, a mentally tough athlete (who had more muscles than most of her guy friends), and a competitive GPA that was sure to get her into a great college. Everything was right on track for a perfect life, until the age of sixteen, when she was shockingly diagnosed with cancer during a routine physical. Living with the Ribbon is an authentic recount of how MacKenzie Greenberg dealt with the diagnosis (what denial?), suffered through anxiety at each medical appointment (all one hundred-plus of them), responded with Fine when asked that annoying How are you doing/feeling? question, stubbornly refused to listen to the advice of her support system to take it easy, and ultimately, how she continues to battle daily with a disease that will not play by the rules.
