

Citizen Moore: The Making of an American Iconoclast (Paperback)

Filesize: 2.69 MB

Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

CITIZEN MOORE: THE MAKING OF AN AMERICAN ICONOCLAST (PAPERBACK)

Methuen Publishing Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Michael Moore is the author, film director, political activist, and lambaster of American household names and political establishments. Whether you like him or loathe him, his satirical and persistent style has opened up the world of political journalism to a new audience. His fearless assaults on formidable targets like General Motors, the National Rifle Association and George W. Bush's White House have made Michael Moore a celebrity in his own right - fawned over by movie stars such as Leonardo Di Caprio; publicly accused of making crackumentaries, with Moorewatch, a website dedicated to disproving everything he says. Based on interviews with more than 200 insiders - friends, bosses, employees, producers, agents, managers, editors, actors and nuns - Citizen Moore traces the untold story of the 30 years of struggles and failures that led to the overnight success of this political celebrity.
