Reviews

*This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).
(Desmond Becker)*

THE WELL-EDUCATED MIND: A GUIDE TO THE CLASSICAL EDUCATION YOU NEVER HAD

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. annotated edition. 170 x 135 mm. Language: English . Brand New. An engaging, accessible guide to educating yourself in the classical tradition. Have you lost the art of reading for pleasure? Are there books you know you should read but haven't because they seem too daunting? In *The Well-Educated Mind*, Susan Wise Bauer provides a welcome and encouraging antidote to the distractions of our age, electronic and otherwise. In her previous book, *The Well-Trained Mind*, the author provided a road map of classical education for parents wishing to home-school their children, and that book is now the premier resource for home-schoolers. In this new book, Bauer takes the same elements and techniques and adapts them to the use of adult readers who want both enjoyment and self-improvement from the time they spend reading. *The Well-Educated Mind* offers brief, entertaining histories of five literary genres: fiction, autobiography, history, drama, and poetry, accompanied by detailed instructions on how to read each type. The annotated lists at the end of each chapter range from Cervantes to A. S. Byatt, Herodotus to Laurel Thatcher Ulrich, preview recommended reading and encourage readers to make vital connections between ancient traditions and contemporary writing. *The Well-Educated Mind* reassures those readers who worry that they read too slowly or with below-average comprehension. If you can understand a daily newspaper, there's no reason you can't read and enjoy Shakespeare's Sonnets or *Jane Eyre*. But no one should attempt to read the Great Books without a guide and a plan. Susan Wise Bauer will show you how to allocate time to your reading on a regular basis; how to master a difficult argument; how to make personal and literary judgments about what you read; how...
