SHARK!: TRUE STORIES AND LESSONS FROM THE DEEP (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2002. Paperback. Book Condition: New. New edition. 234 x 153 mm. Language: N/A. Brand New Book. In this title, which combines real-life stories and practical advice, Peter Benchley draws on more than 30 years of experience on and under the water, to help the reader approach the ocean and its inhabitants with the understanding and respect they deserve. He describes the many types of sharks, and the few that pose a genuine threat to man, what is and what is not known about shark behaviour, the odds against an attack and how to reduce these odds even further, all reinforced by personal experience: the mistakes he has made and the personal perils he has encountered while producing countless articles and television documentaries as well as his novels. Benchley tells us how to swim safely, how to read tides and currents and how to survive when danger suddenly strikes. He discusses what to tell children about sharks and how to develop a healthy respect for the sea.
