The Revolutions of 1688 and 1776 (Classic Reprint) (Paperback)

By Frederic May Holland

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Revolutions of 1688 and 1776 Not until the publication of Newton s Principia in 1687, however, was the fact clearly established that the world is not governed by arbitrary fiats, but according to fixed laws everywhere in force. These laws were acknowledged to be working for the general happiness of mankind; and thus faith in the universal fatherhood of God began to drive away the fancy that he wished his servants to slaughter whoever would not worship him precisely as they did. Thus Newton did much to increase the influence of the books published late in the century by Penn, Locke, Spinoza, and many other authors, to prove that religion is holy enough to have a right to grow freely. The Principia was the death-warrant of persecution. Political freedom, also, was guaranteed by the advance of science. Early nations knew almost as little about kings who rule according to the laws of the land, as about a God who rules according to the laws of the universe; but England was now beginning to see...
