LOVE, MYSTERY AND MISERY: FEELING IN GOTHIC FICTION

[DOWNLOAD](#)

Bloomsbury Academic. Hardcover. Book Condition: New. Hardcover. 210 pages. Dimensions: 9.3in. x 6.3in. x 0.7in. The current Gothic revival in literature and film encourages us to look again to the earliest Gothic novels written between 1790 and 1820, when Gothic was the most popular kind of fiction in England. Dr. Howells proposes a radical reassessment of these novels to emphasize their importance as experiments in imaginative writing. Her object, the study of feeling, is central to Gothic, for its spell consists in the feelings it arouses and exercises. As pseudo-historical fantasy, Gothic fiction embodies contemporary neuroses, especially sexual fears and repressions, which run right through it and are basic to its conventions. This study traces the effort to articulate these disconcerting emotions in symbol, incident, landscape and architecture. The chronological design suggests developments in Gothic, from the initial explorations of Mrs Radcliffe and M. G. Lewis, through the Minerva Press novelists and Jane Austens and "Northanger Abbey and", to new directions taken by C. R. Maturin in "Melmoth the Wanderer and" and later by Charlotte Bronte whose "Jane Eyre and", arguably the finest of Gothic novels, places the earlier experiments in perspective. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
