Robert Pagginson presents his Empty Inside Series and the Best-Seller What Makes MEN Better Than WOMEN - a novelty book where all pages are blank. For centuries, people have marvelled at the difference between men and women. Why do men start a sentence and women finish it for them? Why can't men watch football and talk to their wives at the same time? Why do women order salad but eat men's chips? Why can't women drive without having a look at themselves in the mirror? Why do men appreciate the importance of 60 inch plasma screen and women do not? Why do men look at going to the gym as a physical activity and to all women it's a social event? Why is 2 am time a sleep time for men and relationship discussion time for women? And finally why do women say Oh dear, the toilet paper is on its last sheet and men cry OH s. . . t! Can you pass me a toilet roll? This battle of genders cockroaches is endless, determining no advantage of any sex. Scientists decoding the human genome have discovered that just 78 genes separate men from women. But who is better? Robert Pagginson in this striking book exactly identifies What Makes Men Better Than Women in reality. Take a look inside and you'll be shocked how simple and evident the truth is. . . .
